Barber Vintage Motorsports Museum
Field Trip Chaperone Policy

To ensure the safety, supervision, and overall experience of all students visiting the museum, schools are required to provide an appropriate number of adult chaperones based on the grade level of the students attending.

Required Chaperone Ratios

- Elementary School (3rd-5th) – 1 adult for every 10 students
- Middle School (6th-8th) – 1 adult for every 15 students
- High School (9th-12th) – 1 adult for every 20 students

Who Counts as a Chaperone?

Teachers and school staff members are included in the chaperone count. For example, if an elementary school brings 40 students, that group must have 4 adults total, including teachers and other school staff.

Teachers, bus drivers, and school staff accompanying the field trip receive **free admission.**

Parents/guardians serving as chaperones must purchase a discounted group rate general admission ticket, which is **$16.50/person including tax.** Tickets can be purchased here - **https://997277236.planningpod.com**.

Chaperone Requirements

Chaperones are expected to:

- Arrive at the museum on time and have their ticket with them.
- Remain with and actively supervise their student group throughout the field trip.
- Help students follow museum rules and instructions.
- Assist museum staff and volunteers in maintaining an appropriate learning environment.
- Help students safely transition between activities and exhibit areas.
- Address student behavior concerns when necessary.
- Remain engaged with their group rather than leaving students unsupervised or pulling some students away from the group.

Museum staff and volunteers lead the scheduled field trip tours and activities; however, **teachers and chaperones remain responsible for student supervision throughout the visit.**
